

**NO VIDEOTAPING or PHOTOGRAPHY
ALLOWED IN TREATMENT AREAS AT
AT ANYTIME**

To do so without the knowledge and consent of the team members, other parents and their children is violating their right to privacy.

We respect our patient's rights to have a private dental experience with our team members without worrying that they might show up on the internet in other's people's videos.

If you would like to have a photograph of your child's visit to our office, Please let one of our team members know. We will help you get the photo you want without violating any HIPPA rules or patient's rights.

We would appreciate your help in making every family dental visit a comfortable one.
